02 / BAR

Cocktail culture

Signature cocktails and tequila-led drinks. The bar is an integral part of the guest experience.

Warm hospitality, live music and Día de los Muertos. A place for memorable evenings together.

THE NEXT CHAPTER

We are developing El Jefe for further locations in Poland and, longer term, abroad. At BCB, we are looking to build relationships with people who can help shape that growth.

Let’s talk: spirits & beverage suppliers, brand collaborations, potential investors, operating partners and future locations.
